My Mum/Dad

O'BRIEN

Activity by Peter Heaney

(Read pp 45-47; 130 & 190-191)

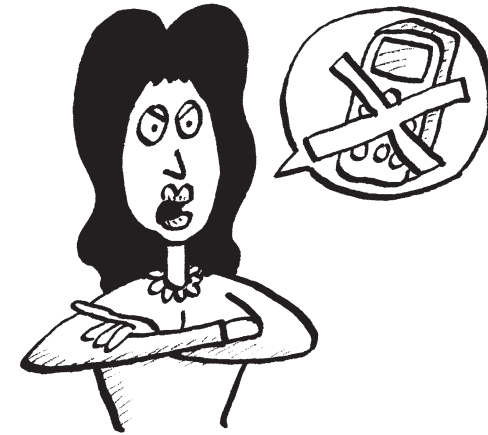

Megan loves her mum really, although there are times when she wishes that she was a little different.

In small groups, do you think that you could make two lists of statements that you think apply to your mum / dad using the headings

- I like the way my mum / dad...
- I wish my mum / dad wouldn't...

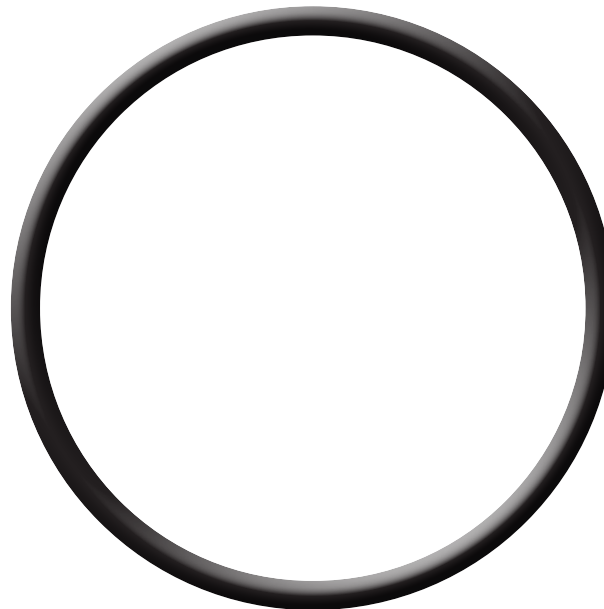

When you have made your list, could you pick three statements that you think are particularly true and write them into the grid below?

Give an explanation for each of your choices and when you have finished draw a picture or glue a photo of your mum / dad into the shape in the middle.
