## ACTIVITY SHEET NO 2

1. From memory, can you name at least five different scrap items that can be found in Flanagan's scrapyards?
2. Why does the author compare Miko to a watchdog?
3. How do you know that Miko Flanagan has a dirty job?
4. How does he make a living?
5. Why would Charlie have a problem building a bike with the parts he found?
6. What does Miko think is one of the skills of a good scrapman?
7. Can you think of at least three other skills that a good scrapman would need?
8. What did Charlie's Mam think about the bike parts?
9. Why did she think that Charlie's Dad would help him to build his new bike?
