

ACTIVITY SHEET 3

PAPER CHAIN CATERPILLAR

Materials:

- ten strips of coloured paper approx. 2.5 cm wide and 15 cm long
- one paper circle, between 5 and 10 centimetres in diameter
- Pritt stick or paste

Method:

1. Make a paper chain using the ten strips of paper. First form one of the strips into a circle and paste the ends together.
2. Form the next paper strip into a circle that goes through the first circle, and continue until you have used all your strips of paper.
3. Draw a face on the paper circle and then stick it to one end of your paper chain for the caterpillar's head.
