ALFIE GREEN: MY GARDEN

If you had a garden of your own what would it look like? Plan your perfect garden and draw a map of it.

Think about the types of plants you want to grow. Do you want plants that will look beautiful or would you rather have plants that you can eat? In your copybook, make a list of everything you would like to grow, then draw a map of your garden showing everything you will plant in the box provided.

Remember you can design your garden to be any shape or size you like, and you can include anything you want!

MY GARDEN
