

THE STORY OF IRELAND

The Best of Ireland: Activity 3

Now that you have read its story, I'm sure you will agree that Ireland is truly a wonderful place to live and grow up in. Perhaps the area where you live is the most interesting place of them all? Compile a 'Must List' for your area to give to visitors and write it in the box below. List what you think is essential for visitors to your area to experience (must see, must do, go to, hear, taste etc.)

Remember to be enthusiastic about your area to persuade people to visit and experience the things on your list. You can use both pictures and text. Keep any descriptions brief but try to use good adjectives. Don't say anything that is untrue.
