

Muckeen was in the **Big Field**
behind the farmhouse.

It was a lovely day
for dancing and skipping.

Muckeen was excited
because it was nearly dinner time.
Time for Mrs Farmer to bring him
lovely **sloppy stuff**
in a bucket.

Sloppy stuff was Muckeen's favourite dinner.

Just thinking about it made him happy.

So he was dancing around in circles with his eyes closed.

The chickens were watching
Muckeen dancing.
They didn't notice
the big silver **UFO**
hovering in the sky above them.
It had come from
outer space.

Suddenly,
a bright
beam of light
shone down
from the UFO
and sucked
Muckeen up
into it.

Then, with Muckeen on board,
the UFO flew away.
