

THE STORY OF IRELAND

Saints & Pagans: Activity 4

Read pages 24 and 25 again very carefully and try to imagine what it would have been like to be one of Brendan's monks. Create a short diary entry describing the day you thought was the most exciting of the whole voyage. Write it in the box below and use some illuminations to decorate the edges of the box if you like. More information about Brendan can be found at the following website:
